

Driving instructions to Borealis Catalyst Pilot – BC Pilot

The easiest way to get to Borealis BC*Pilot is by car or taxi. Borealis Porvoo is located in Kilpilahti industrial area. The street address to Borealis BC*-Pilot is Teknologiantie 95-18, 06850 Kullo.

- **From Helsinki or Helsinki-Vantaa Airport** it takes about 40 minutes to Borealis Porvoo. Kilpilahti/Sköldvik lies some 40 km east of Helsinki and some 15 km southwest of Porvoo downtown.
- When leaving Helsinki-Vantaa Airport, follow the signs “Kehä III itään” and “Porvoo, Kouvola, Kotka”. Kehä III is road number E18 and also 50. Merge onto E18 Porvoonväylä.
- On E18, follow the sign “Porvoo, Kouvola, Kotka”. Drive the motorway E18 for about 18 km.
- Take the E18 exit 58A to road number 11746 toward “Kilpilahti, Sköldvik”.
- Drive 4 km until the roundabout and there turn right to Nesteentie following the **Neste** sign. **Ignore the Borealis signs as they lead to Borealis Plastics Plants.**
- Drive the road to Neste main gate. If you take the middle lane, there is no need to pull out.
- After the main gate, turn right toward Grace Catalyst and BC*-pilot.
- After the small slope, the parking place is directly in front of you. Freight traffic can drive directly to the green gate, which can be seen when entering the parking place.
- There are no assigned parking spaces for visitors so visitors can park in any free spot. Cars can also be driven to the right-hand side next to the road that leads to the Catalyst Pilot entrance gate. There, the car can be parked in the widening in front of the entrance door.
